Dear Parents,

It is with great excitement that San Gennaro Café continues its services to Village Glen School in order to provide your children with, not only pizza, but a “hot lunch” program.

Along with my husband, Jay and my son, John, we have been serving the local community for more than 22 years. San Gennaro, nestled in the heart of Brentwood Village since 1987, is a locally owned neighborhood café serving truly traditional Italian specialties, pastas, chicken, veal, salads and, according to food critic Merrill Schindler...”the best pizza west of Hester Street” New York style, of course. We are a moderately priced family restaurant. We offer full on and off site catering, banquet facilities, daily home delivery and dietary cooking.

We are looking forward continuing to serve your children at Village Glen School beginning again January 4th. We are offering a five day-a-week menu plan at the cost of \$6.00 per day. Pre-ordered lunches will be served buffet style and will include a vegetarian entrée, a side of vegetables/fruit or a cookie.

Attached, you will find a food calendar and order form to be completed and, sent directly to San Gennaro with credit card information or mailed with your check to the above address. Lunches may be ordered by the month or by semester. There is a **48 hour cancellation policy** in order to receive credit for a missed lunch. Providing 48 hour notice is given, credit will be applied the following month. San Genarro **must receive all orders and payment no later than December 19, 2009.**

If you have any questions concerning this program, please do not hesitate to call. Have a safe, healthy and prosperous holiday season and New Year.

Sincerely,

Linda Handal
